## DEMOCRATS IN CONVENTION

(Continued from page 3.)

Treasury, over and about the local  
Federal expenditures.

"We declare that the Republican pol-  
icy in the past has created, and it now  
nurtures a system of insolent and pow-  
erful TRUSTS,—which are at once a  
great detriment to the individual well-  
fare of our citizens; a restraint upon  
individual independence; and a menace  
to the perpetuity of Republican institu-  
tions and government. And we charge  
one of those dangerous creations, name-  
ly the Sugar Trust, with the arbitrary  
and mercenary manipulations and de-  
pression of the price of raw sugar to  
such extent as to have contributed in  
large degree to the present unsatisfac-  
tory condition of our sugar industry,—  
where many of our plantations are  
struggling for continued existence, and  
but few sugar properties are being op-  
erated at a profit.

"We condemn the present Republican  
Administration for its employment of  
Asiatics in the Navy—and Treasury De-  
partment to the exclusion of citizen la-  
bor in Hawaii and request such legis-  
lation as will protect citizen labor in  
the future.

"We place our party on record as in-  
sisting upon an honest and economical  
policy of Territorial Government, and  
we pledge our party to the nomination  
of none but honest and capable persons  
for legislative and executive offices. We  
charge the Republican Territorial Ad-  
ministration of the past and present,  
with incompetence, and neglect of pub-  
lic interests. We charge the Republican  
party in this Territory with wilful de-  
ception of the people in respect of the  
so-called County Act, passed in 1903, in  
that said Act was never intended by  
them, to become effective,—but was  
framed with the full intent, that it was  
so honey-combed with invalid and un-  
constitutional provisions, as to preclude  
its bearing the test of attack in the  
Courts.

"We charge the Republican Territorial  
Administration with being corrupt, be-  
yond all precedent in these Islands, and  
that officers high in said Administration  
have winked at crime, committed in of-  
fice,—tolerated, and negotiated with  
confessed embezzlers of the public  
funds,—and connived at the escape of  
such embezzlers from justice.

"We pledge our party, and its candi-  
dates who shall be elected to the  
Legislature in 1904, to enact an ef-  
fective and economical system of Gov-  
ernment by Counties, or under such  
other or different municipal forms, as  
shall be found best adapted to justly  
distribute among the people the con-  
trol of their local affairs.

"Thus believing and intending we  
invite to our party standard all citi-  
zens, of whatever race and irrespective  
of past political affiliations who be-  
lieve as we believe and are willing to  
join with us in the promotion of the  
sentiments herein expressed.

"Before the adoption of the platform  
the convention began a discussion of  
an amendment introduced by Senator  
Palmer Woods, instructing the St.  
Louis delegation to vote for Hearst  
and to use all honorable means to se-  
cure his nomination, also to vote as a  
unit. After much debate it was with-  
drawn to be introduced later as an in-  
dependent resolution.

There was considerable discussion  
as to how many delegates the differ-  
ent Islands should have, ending in  
Maui winning two, Oahu was allow-  
ed two and Hawaii two, while Kauai  
was unrepresented in the convention.  
After enouncing the delegations made  
the following nominations:

Oahu—Delegates: Curtis P. Iauken,  
Dr. W. S. Noblitt. Alternates: Asso-  
ciate Justice C. A. Galbraith, R. B.  
Kidd.

Hawaii—Delegates: Palmer P. Woods,  
J. D. Easton. Alternates: Albert K.  
Sawahl, S. H. Kane.

Maui—Delegates: T. Ben Lyons, J.  
L. Coke. Alternates: L. R. Crooks,  
P. Maiki.

The voting of the Oahu delegates in  
caucus resulted as follows: Iauken,  
100; Noblitt, 81; J. O. Carter 16; John  
Bowler 17; Joseph Spitzer 8.

The choices of the delegations were  
ratified by the convention and then  
the Hearst matter was brought up  
again. F. H. Hayselden of Maui of-  
fered the resolutions of instructions  
and for the unit rule. A recess was  
taken until evening to discuss the  
matter.

There was a long discussion in the  
evening with C. W. Ashford, W. A.  
Kinney, Prince David and Col. Mc-  
Carthy leading the opposition to the  
Hearst forces. Chairman Iauken was  
the last speaker. Woods taking the  
chair temporarily. Iauken spoke  
strongly for Hearst. At the conclu-  
sion of his address the previous ques-  
tion, moved by R. B. Kidd and others,  
was carried. On a rising vote the  
convention was nearly unanimous for  
Hearst, the no votes being only about  
a dozen among the 209 present. There  
was great enthusiasm shown.

A motion was made to recom-  
mend Frank Harvey for National commit-  
teeman. Palmer Woods was nomi-  
nated and Harvey withdrew. Woods was  
chosen by acclamation.

## Grand Closing Out Sale!

Commencing  
Monday, June 6

For Two Weeks Only

For a period of two weeks we will extend to the people of Hono-  
lulu an unparalleled offer; one that we believe will never be duplicated  
in this city.

We are closing out our Honolulu store and will remove to the  
Eastern States.

The stock for our Eastern store has been ordered to be shipped  
there direct, so we will reduce the prices on our Honolulu stock to  
such a low figure as to quickly dispose of it.

The most beautiful Oriental goods will be sold for less than cost.

THIS IS THE CHANCE OF A LIFETIME.

### CANNIBALISM.

Cannibalism is still practiced in New  
Guinea and Solomon Islands in the

Pacific in the Muri river parts of South  
America, including Colombia and is  
believed to be practiced in northern  
Luzon, P. I. and in the voodoo worship  
of Hayti.
